e-Sword® is a registered trademark of Rick Meyers.

This copyright applies to all program files, add-on modules, documentation, graphics and auxiliary files, except those parts written by other people (which are normally copyright their authors). The license applies to the whole program.

This license describes the conditions under which you may use and distribute **e-Sword**. If you are unable or unwilling to accept these conditions in full, then, notwithstanding the conditions in the remainder of this license, you may not use nor distribute the program at all.

e-Sword is free software. This license is designed not to restrict your freedom except insofar as is necessary to ensure that the program remains free for all. If you want to do something that is against this license, but within the spirit of free software, then let's talk about it.

1. The program may be used free of charge by any person or organization to whom it is made available, provided that that person accepts the conditions of this license.
2. You may make copies for yourself and friends, provided that any distribution is also free. You may not charge for the program itself, nor may you charge for any type of duplication costs, postage, etc. You must not do anything to suggest to the person to whom it is distributed that **e-Sword** is anything other than free software.
3. Neither the e-Sword program, nor any associated modules, may be sold or resold, distributed as a part of any commercial package, or used or distributed to support any kind of profit-generating activity, even if it is being distributed freely.
4. You may not sell or host **e-Sword** files, neither the program itself nor any associated modules, on any web site or server on the Internet.
5. You may not disassemble or reverse engineer **e-Sword**, nor any of its associated modules.
6. No warranty of any sort, expressed or implied, is provided in connection with the program, including, but not limited to, implied warranties of merchantability or fitness for a particular purpose. Any cost, loss or damage of any sort incurred owing to the malfunction or misuse of the program or the inaccuracy of the documentation or connected with the program in any other way whatsoever is solely the responsibility of the person who incurred the cost, loss or damage. Furthermore, any illegal use of the program is solely the responsibility of the person committing the illegal act. By using this program you accept these responsibilities, and give up any right to seek any damages against Rick Meyers in connection with this program.
7. I, Rick Meyers, reserve the right to make exceptions to any of these conditions, or alter these conditions, at any time.
